ClientLink, Inc. Acquires Printing & Publications

MONTGOMERYVILLE, PA - August 6, 2015 – Continuing its quest to become a full- service production provider for marketers, ClientLink Inc. has acquired the assets of Printing & Publications. The two companies have worked together as strategic partners since 2010. Effective immediately, operations have been merged and will continue to operate at the 65,000 sf. Montgomeryville, PA location that both companies have inhabited since December 2014.

Together the companies have been able to deliver high-quality printing, finishing, mailing and fulfillment services to their customers. The deal will enable the companies to leverage assets and create a more efficient workflow. From Mark Angel, ClientLink's President, *"The two businesses have been extremely complementary to one another and we believe this merger will enable us to take that to another level for the benefit of our customers."*

Printing & Publications, a pioneer in high volume digital printing since 1990, has received multiple awards for its print and campaign design. Its long history of print excellence along with its complete in-house bindery capabilities will provide the perfect complement to ClientLink's mailing and fulfillment capabilities. Jerome Elion, Owner of Printing & Publications, will remain through the transition before moving on to a new business venture. *"The combination of both companies will drive greater levels of success."* said Mr. Elion.

ClientLink is a privately held company formed in 1998 to bridge the gap between marketing and fulfillment needs. It has become a leading provider of mailing and fulfillment services in the region working with a wide variety of companies in the Financial, Healthcare, Pharmaceutical, Non-Profit, and Manufacturing Sectors. ClientLink focuses on being a highly-competent customer-driven organization that continually meets the needs of its constituency.
